Wollaston Lake has earned its reputation as one of the premier trophy northern pike fisheries in the world.

Minor Bay Lodge is, without a doubt, located in the best spot on the lake to access this fabulous trophy fish factory - right in the heart of Wollaston's "Monster Pike Country".

We don't need to take our guests on hours-long boat rides or bundle them into a float plane to access great trophy fishing - it's located right in our "back-yard".

Whether you are a died-in-the-wool fly angler, or use conventional spinning or baitcasting gear, our professional guides will do their utmost to ensure your Minor Bay fishing adventure is a memorable one.

Minor Bay Lodge isn't a crowded, high-volume, high-intensity lodge. With a maximum of only 20 guests per trip we offer a friendly, laid-back, relaxed atmosphere with personalized service, where the management and staff know your name and you don't need a roster to remember ours. As far as customer service goes, our focus is on quality - not quantity.

Comfortable, modern accommodations; delicious home-made meals; knowledgeable, friendly staff and guides; amenities such as WIFI and satellite television will make your stay with us at Minor Bay lodge an enjoyable experience.

We invite you to join us at Minor Bay Lodge on Wollaston Lake for your next fishing adventure.
